Questioning

Learning Goal: To understand texts better by asking questions about things I don't know, or about things I want to know more about.

Success Criteria:

- I will question the text BEFORE I read.
 - Look at the title and/or images.
- I will question the text DURING my reading.
 - Question the text, facts, story, author's perspective, etc.
- I will question the text AFTER I'm done reading.
 - What do you still have questions about after finishing the text.

- I will use the Q-CHART to develop higher-level questions.

- I will attempt to answer my questions by:
 - Continuing to read
 - Re-Reading the text
 - Asking others for answers (teachers, parents, friends, etc.)
 - Research using other resources (internet, books, news, etc.)
